Title: THE RAJAKUMAR MOVEMENT - UNITY IN THE ASIA PACIFIC REGION

Responsible author: Naomi Harris

Authors of the abstract: Naomi Harris,

Type of presentation: Workshop

Theme of the workshop: An opportunity for a further meeting of The Rajakumar Movement to continue development of the network and to set new goals for the future. The workshop will introduce all attendees from the Asia Pacific Region to TRM as mentors are also needed for the movement.

Learning objectives:

1. Learn about who and what The Rajakumar Movement is
2. Determine the relationship you can have with the movement
3. Contribute to the development of TRM
4. Become actively involved

Activities to be carried out by assistants and the coordinator:

1. History of The Rajakumar Movement
2. Introduce who Dr Rajakumar was and why he is important to Family Medicine
3. Give update as to where the Movement is currently active and what is needed to grow the movement
4. (In small groups) Identify areas of TRM that need development. Workshop what and how things need to be done. Report back to the large group
5. Depending on the representative group, there is the potential to form a Core Group for the movement.

Expected results:

1. Larger awareness of The Rajakumar Movement and larger involvement
2. Formation of a core group for The Rajakumar Movement
3. Continue plans for Wonca Asia Pacific 2010 in the Philippines and the involvement of the movement
